

Chapin® Handheld Spreader

GEN917 Holds 64 oz.,For Most Pelletized Products,1 each

Shake and spread seed and fertilizer from spring to fall, and salt and ice-melt in winter, using this handheld spreader with twist lid for conveniently choosing between 3 different-sized openings.

- 64-ounce high-capacity poly bottle with a wide opening and easy screw top for quickly removing the lid to add your preferred seed, salt, fertilizer, etc.
- Usable year-round for turf or salt; ideal for steps, sidewalks and small paths in the winter, and grass patches, shaded areas, gardens, and small sections the rest of the year
- Lid twists to let you choose from 3 openings: small, large or wide, each designed to fit different particulates like ice-melt, salt, fertilizer, grass seed, sand and most pelletized products
- Large handle for better grip makes it easy to scoop and fill; accommodates small and large-sized hands, with or without gloves for use any time of the year
- Portable to keep on a shelf, in a closet or in the car and take it out when needed; can even store with product inside when not in use
