

Disposable Anti-Fog Face Shield - Box of 30

GLS8000 13" x 9",30 each (3 bags of 10 each)

Easy to assemble, anti-fog full face shield can help meet health guidelines.

- Constructed with transparent, distortion-free optical-grade polyester film with anti-fog treatment; latex-free
- Full-length size with wrap-around design protects the top of the head, front and side of face, and provides more complete coverage than typical face shields
- Lightweight, easy to assemble and easy to use; adjustable one-size-fits-all-design has a polyurethane foam strip and elastic band for added comfort
- Face shield visor can be easily cleaned with water or disinfectant
- Strip on front of the face shield allows for personalization
- Economical and affordable way for companies to provide PPE
- Can be worn in conjunction with face masks to further increase protection
