

Capstone® Goggle with Face Shield

GLS811 Clear Lens Color, Translucent Gray Frame Color

Combination anti fog goggle and removable face shield offer dust and splash protection that even fits over glasses.

- Stylish design encourages use to help prevent injuries from chemical splashes and flying debris
- Ratcheting full face shield flips up and out of the way (three adjustable positions) when not needed
- Vented face shield promotes air flow without compromising protection
- Goggle features removable vent caps so user can maximize ventilation or splash protection depending on the task at hand
- Anti-fog coating helps goggle lens remain clear in any environment
- Scratch resistant polycarbonate lens provides 99% UVA/B/C protection
- Includes two tear-away visor films to restore clear vision instantly during extremely dirty applications
- ANSI Z87.1 compliant to help protect against impact
- Designed to fit over prescription glasses
- Soft vinyl construction and fully adjustable elastic band add comfort
