

SHOWA N-DEX® Disposable Nitrile Gloves

GLV109 Powder-Free, Thickness 4 mil Tips/4 mil Palm, 50 per dispenser

From light-duty latex to heavy-weight nitrile, we have a glove for every wear-and-toss application.

- Non-allergenic nitrile is more chemical-resistant than latex to guard against intermittent contact and splashes
- Resists puncture and abrasion better than PVC/vinyl
- Offer light protection, sensitivity and dexterity with use-and-toss convenience
- Thin enough to use as a liner under another glove
- Ambidextrous design simplifies inventory
- Beaded cuff helps prevent ripping and creates a better seal
- Textured fingertips provide a firm grip, even when handling wet or oily objects
- Accelerator-free formulation won't cause dermatitis
- Entirely free of powder and its potentially undesirable effects
- Non-sterile industrial grade; affordable barrier to keep dirt or mild chemicals away from hands
- Black color is ideal for military, police and security applications
