

Ammex® Gloveworks® Disposable Nitrile Gloves

GLV118 Powder-Free, Thickness 6 mil Tips/5 mil Palm, 100 per dispenser

Protect your hands from dirt and mild chemicals with these industrial-grade nitrile gloves featuring textured fingertips.

- Offer light protection, sensitivity and dexterity with use-and-toss convenience
- Non-allergenic nitrile is more chemical-resistant than latex to guard against intermittent contact and splashes
- Resists puncture and abrasion better than PVC/vinyl
- Entirely free of powder and its potentially undesirable effects
- Textured fingertips provide extra grip on wet or oily objects
- Thin enough to use as a liner under another glove
- Ambidextrous design simplifies inventory
- Beaded cuff helps prevent ripping and creates a better seal
- Longer cuff extends protection past wrist onto forearm
- Non-sterile industrial grade; an affordable barrier to keep dirt or mild chemicals away from hands
- Great for assembly, repair, electronics, quality control, chemicals, laboratories and more
