

## SHOWA 3415 Neoprene Gloves

GLV1208 16 mil,14",12 pair

Polyester-lined neoprene is a great combo of comfort and superior liquid protection.

- Single-dipped neoprene coating provides durability and dexterity and protects against acids, caustics, oils, greases and solvents
- 15-gauge seamless polyester lining bonded to the shell prevents irritation, absorbs sweat and offers softness and flexibility
- Rough particle grip on the palm and fingers gives a tactile, non-slip grip on oily or wet surfaces
- 14" extra-long gauntlet cuff extends protection past wrist onto the forearm
- Suitable for petrochemical and refinery applications, turning valves, analyzing samples, chemical handling and cleaning equipment

Item#	Description	Dimensions	Weight
