

SHOWA 451 Natural Rubber Latex Coated Cold Condition Gloves

GLV1347 Lining Acrylic Fiber, Coating Latex, 12 pair per package

This glove has a natural rubber palm coating for abrasion resistance and features thermal insulation for cold weather.

- Thermal-insulated gloves, designed to be worn in cold weather
- Seamless liner reduces irritation and an elastic wrist cuff keeps dirt and debris out of the glove
- Abrasion resistant with increased grip from the rough surface texture
- The gloves also protect from aggressive detergents and alcohols
