

PIP Ambi-dex® Disposable Latex Gloves

GLV151 Powder-Free, 6 mil Tips/5 mil Palm, 100 each

From light-duty latex to heavy-weight nitrile, we have a glove for every wear-and-toss application.

- Super-stretchy latex is more economical than nitrile; fits tightly to further increase sensitivity for intricate tasks
- Thin enough to use as a liner under another glove
- Ambidextrous design simplifies inventory
- Fully textured to provide whole-hand grip, even when handling wet or oily objects
- Beaded cuff helps prevent ripping and creates a better seal
- Non-sterile industrial grade; affordable barrier to keep dirt or mild chemicals away from hands
- Great for assembly, repair, electronics, quality control, chemicals, laboratories and more
- Entirely free of powder and its potentially undesirable effects
