

Microflex® SAFEGRIP® Disposable Latex Gloves

GLV165 Powder-Free, 16.5 mil Tips/11.4 mil Palm, 50 each

From light-duty latex to heavy-weight nitrile, we have a glove for every wear-and-toss application.

- Super-stretchy latex is more economical than nitrile; fits tightly to further increase sensitivity for intricate tasks
- Additional millage built into fingertips and palm minimizes tearouts
- Entirely free of powder and its potentially undesirable effects
- Thin enough to use as a liner under another glove
- Ambidextrous design simplifies inventory
- Textured fingertips provide a firm grip, even when handling wet or oily objects
- Beaded cuff helps prevent ripping and creates a better seal
- Non-sterile class I medical grade; strict standards ensure reliability
- Great for laboratories, hospitals, food industry, electronics, quality control, chemicals and more
- Longer cuff extends protection past wrist onto forearm

| Item# | Description | Dimensions | Weight |
|-----------|-------------|------------|-----------|
| GLV165-S | Small | 11.8" L | 2.60 lbs. |
| GLV165-M | Medium | 11.8" L | 2.60 lbs. |
| GLV165-L | Large | 11.8" L | 2.60 lbs. |
