

Microflex® Integra® EC Disposable Nitrile Glove

GLV167 Powder-Free, 9 mil Tips/8 mil Palm, 500 each

A durable 8-mil glove for jobs where extra durability or safety is important. Temporarily unavailable. Item on backorder.

- Non-allergenic nitrile is more chemical-resistant than latex to guard against intermittent contact and splashes
- Highly durable material has an extra thickness in the palm
- Resists puncture and abrasion better than PVC/vinyl
- Extended cuff provides extra protection in high-risk conditions
- Entirely free of powder and its potentially undesirable effects
- Fully textured to provide more confident, whole-hand grip on wet or oily objects
- Thin enough to use as a liner under another glove
- Ambidextrous design simplifies inventory
- Non-sterile class I medical grade; strict standards ensure reliability
- Great for laboratories, hospitals, food industry, electronics, quality control, chemicals and more
