

PIP G-Tek® GP™ Nitrile Coated Gloves

GLV307 Coating Nitrile, Lining Nylon, 12 pair per package

Tough, latex-free nitrile over an oil-repellent nylon liner creates an economical alternative to leather for wet or dry jobs.

- Nitrile coating offers extra puncture and cut protection without extra thickness; non-allergenic alternative to latex
- Tear-resistant, seamless nylon knit liner has high tensile strength and stretches for a tight fit with better sensitivity
- Low-linting material won't absorb oil, so it's great for wet or dry use
- Form-fitting and curved to match hand contours for minimized fatigue
- Breathable open back lets heat and perspiration dissipate
- Extended cuff helps keep out dirt; reinforced stitching helps prevent fraying
- Great for assembly, material handling, warehousing, maintenance, fabrication, automotive and more

Item#	Description	Dimensions	Weight
GLV307-M	Medium	10" L	1 lb.
GLV307-L	Large	10" L	1 lb.
GLV307-XL	X-Large	10" L	1 lb.

Metric Equivalent:
