

West Chester PosiGrip Nitrile Coated Gloves

GLV315 Coating Foam Nitrile, Lining Nylon, 12 pair per package

Super-gripping, latex-free nitrile foam over an oil-repellent nylon liner creates an economical alternative for wet or dry jobs.

- Foam nitrile coating offers excellent grip in wet conditions; non-allergenic alternative to latex
- Tear-resistant, seamless nylon knit liner has high tensile strength and stretches for a tight fit with better sensitivity
- Low-linting material won't absorb oil, so it's great for wet or dry use
- Form-fitting and curved to match hand contours for minimized fatigue
- Breathable open back lets heat and perspiration dissipate
- Extended cuff helps keep out dirt; reinforced stitching helps prevent fraying
- Great for assembly, material handling, warehousing, maintenance, fabrication, automotive and more
