

## PIP MaxiFlex® Endurance™ Nitrile Coated Gloves

GLV323 Coating Foam Nitrile, Lining Nylon, 12 pair per package

Versatile coated gloves feature an aggressive knurled palm for secure grip.

- Foam nitrile coating offers excellent grip in wet conditions; non-allergenic alternative to latex
- Dotted texture provides firmer, more confident grip, even on wet or oily objects
- Tear-resistant, seamless nylon knit liner has high tensile strength and stretches for a tight fit with better sensitivity
- Low-linting material won't absorb oil, so it's great for wet or dry environments
- Breathable open back lets heat and perspiration dissipate
- Extended cuff helps keep out dirt; reinforced stitching helps prevent fraying
- Form-fitting and curved to match hand contours for minimized fatigue
- Ideal for assembly, material handling, warehousing, maintenance, fabrication, automotive and more

Item#	Description	Dimensions	Weight
GLV323-S	Small	9" L	1.2 lbs.
GLV323-M	Medium	9" L	1.2 lbs.
