

PIP ArmorTuff™ Nitrile Coated Gloves

GLV358 Coating Nitrile,Lining None,12 pair per package

Built to offer terrific grip and puncture protection.

- Nitrile coating protects palms and fingers; cotton jersey shell absorbs perspiration and keeps hands cool
- Crinkle texture provides firm and confident grip
- Coating extends over knuckles for extra protection
- Offers excellent resistance to oils, grease and other petro-chemicals
- Uncoated back provides air circulation
- 3" plasticized safety cuff allows quick and easy removal
