

PIP G-Tek® KEV™ Kevlar® A4 Latex Coated String Knit Gloves

GLV500 Level 4, Coating Latex, 1 pair

Latex-coated Kevlar gloves offer extra resistance to cuts and abrasion, plus a sure grip during wet or dry jobs.

- Seamless Kevlar knit liner offers outstanding cut and abrasion resistance
- Textured crinkle grip provides a safe grip in wet and dry applications
- Will not absorb oils like cotton, leather and natural rubber gloves; lasts longer and protects hands from oils better
- Breathable design lets heat and perspiration dissipate
- Slightly curved fingers and contoured palm reduce hand fatigue
- Extended cuff helps keep out dirt; reinforced stitching helps prevent fraying
- Machine washable for extended lifespan
- Great for metal fabrication, glass and wood handling, material handling and automotive assembly
