

Mechanix Wear® Heavy-Duty Gloves

GLV705 Hook and Loop Cuff, 1 pair

Rugged gloves provide impact protection and a sure grip to meet the tough demands of mechanics and other hands-on professionals.

- Molded thermal plastic rubber protects back of hand and knuckles without sacrificing flexibility
- Breathable genuine leather palm with light foam padding and reinforced thumb, fingertips, and heel provides durability and impact protection
- Easy-entry cuff with thermal plastic rubber straps and pull tabs for a fast, comfortable fit
- Stretch panels between fingers ventilate glove
- Machine washable materials with hidden seams extend life of gloves
