GMC21001 "Please Wash Your Hands" Reminder for Indoor Restrooms, Washrooms, Break Rooms, Locker Rooms, Stays in Place; Won't Damage Carpet, Peel or Curl Up; Anti-Slip, Includes (4) 24" x 17" Peel & Stick Signs

Remind and reinforce frequent hand washing to stay in compliance with health guidelines. Adhesive-backed signs are easy to install and will stay in place without damaging your carpet.

- Remind employees and guests to wash their hands; place floor sign in restrooms, washrooms, locker rooms, break rooms, cafeterias and in other areas in your facility
- Helps companies and facilities stay in compliance with health guidelines; communicates to employees, guests and visitors to wash their hands frequently
- Adhesive backing keeps floor sign in place on low pile, commercial carpeted surfaces; apply pressure to surface when installing sign to ensure strong grip to the floor – not designed to be repositioned once down
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Cleans easily in place using a vacuum without budging; even a carpet scrubber won't affect the printed message
- ADA-compliant low profile doesn't create hazards or hang-ups for heavy foot, cart, wheelchair or walker traffic
- Extreme durability that stands up to heavy traffic — to keep it on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
- For use indoors on carpeted surfaces only; do not use on hard, smooth surfaces
- All adhesives have the ability to leave a residue. For best practice when permanently removing the sign, clean the carpet with a carpet extractor to remove any tackiness that may be left behind
