- Create a safe environment for your employees and guests by placing this social distancing sign in your facility to reinforce guidelines; ideal for manufacturing floor and assembly areas, food and beverage areas, aisles, hallways, stair landings, common areas and lobbies, meeting rooms, work cells, elevators, customer service lines and entrances
- Helps companies and facilities stay in compliance with social distancing guidelines; communicates to employees, guests and visitors how to safely navigate the facility
- Adhesive backing keeps floor sign in place on low pile, commercial carpeted surfaces; apply pressure to surface when installing sign to ensure strong grip to the floor – not designed to be repositioned once down
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Cleans easily in place using a vacuum without budging; even a carpet scrubber won't affect the printed message
- ADA-compliant low profile doesn't create hazards or hang-ups for heavy foot, cart, wheelchair or walker traffic
- Extreme durability that stands up to heavy traffic — to keep it on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
- For use indoors on carpeted surfaces only; do not use on hard, smooth surfaces
- All adhesives have the ability to leave a residue. For best practice when permanently removing the sign, clean the carpet with a carpet extractor to remove any tackiness that may be left behind
