

## **PIG® One-Way Directional Arrow Floor Sign & Marker for Carpet - Box of 4**

GMC21009 "One Way for Social Distancing Please" Marker Directs Traffic in Carpeted Lines, Hallways, Stays in Place; Won't Damage Carpet, Peel or Curl Up; Anti-Slip, Includes (4) 17" x 24" Peel & Stick Markers

Use arrow markers to make traffic flow safely and reinforce social and physical distancing in your facility with floor message markers for carpeted floors; adhesive-backed sign will stay in place without damaging your carpet.

- Create a safe environment for your employees and guests by using directional arrow markers to create 6 ft. social distancing in your facility; ideal for carpeted entrances, aisles, hallways, common area and lobbies, offices, waiting areas, elevators and more
- Helps companies and facilities stay in compliance with social distancing guidelines; communicate to employees, guests and visitors how to safely navigate the facility
- Adhesive backing keeps floor sign in place on low pile, commercial carpeted surfaces; apply pressure to surface when installing sign to ensure strong grip to the floor – not designed to be repositioned once down
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Cleans easily in place using a vacuum without budging; even a carpet scrubber won't affect the printed message
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Extreme durability that stands up to heavy traffic — to keep it on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
- For use indoors on carpeted surfaces only; do not use on hard, smooth surfaces
- All adhesives have the ability to leave a residue. For best practice when permanently removing the sign, clean the carpet with a carpet extractor to remove any tackiness that may be left behind
- [Buy in bulk and save! Also available in a 50-pack \(GMC21009C\)](#)
