

PIG® Directional Arrow Floor Sign & Marker for Carpet - Box of 50

GMC82003C Arrow Wayfinding Marker Directs Foot Traffic on Carpeted Lines, Aisles, Walkways & More, Stays in Place; Won't Damage Carpet, Peel or Curl Up; Anti-Slip, Includes (50) 26" x 8" Peel & Stick Markers

Arrow markers for carpet help you direct traffic to reinforce social distancing and stay in compliance without damaging your expensive floor coverings.

- Directional arrow markers help to direct one-way traffic flow in carpeted areas including entrances and lobbies, aisles, hallways, common areas, offices, waiting areas, elevators and more
- Helps you stay in compliance with social distancing guidelines and create a safe environment by clearly communicating how to navigate your facility
- Buy in bulk quantities for significant savings and cover more areas in larger or multi-building facilities
- Adhesive backing keeps floor sign in place on low pile, commercial carpeted surfaces; apply pressure to surface when installing sign to ensure strong grip to the floor – not designed to be repositioned once down
- Available in four colors for maximum visibility in any environment
- Cleans easily in place using a vacuum without budging; even a carpet scrubber won't affect the printed message
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Extreme durability that stands up to heavy traffic — to keep it on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
- For use indoors on carpeted surfaces only; do not use on hard, smooth surfaces
- All adhesives have the ability to leave a residue. For best practice when permanently removing the sign, clean the carpet with a carpet extractor to remove any tackiness that may be left behind

Item#	Description	Dimensions	Weight
GMC82003C-BL		26" W x 8" L	8.4 lbs.
GMC82003C-GR		26" W x 8" L	8.4 lbs.
GMC82003C-RD		26" W x 8" L	8.4 lbs.
GMC82003C-YW		26" W x 8" L	8.4 lbs.
