

PIG® Social Distancing Floor Sign & Marker for Carpet - Bag of 10

GMC99001 "Play It Smart Keep 6' Apart" Marker for Carpeted Lines, Lobbies, Stays in Place; Won't Damage Carpet, Peel or Curl Up; Anti-Slip, Includes (10) 9" x 9" Peel & Stick Markers

Promote 6 ft social and physical distancing and mark safe traffic flow in your facility with floor message signs for carpeted floors; adhesive-backed sign communicates how to keep a safe distance and will stay in place without damaging your carpet.

- Create a safe environment for your employees and guests by marking where to stand to keep 6 ft spacing; ideal for carpeted entrances, aisles, hallways, common area and lobbies, offices, waiting areas, elevators and more
- Helps companies and facilities stay in compliance with social distancing guidelines; communicate to employees, guests and visitors how to safely navigate the facility
- Adhesive backing keeps floor sign in place on low pile, commercial carpeted surfaces; apply pressure to surface when installing sign to ensure strong grip to the floor – not designed to be repositioned once down
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Cleans easily in place using a vacuum without budging; even a carpet scrubber won't affect the printed message
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Extreme durability that stands up to heavy traffic — to keep it on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
- For use indoors on carpeted surfaces only; do not use on hard, smooth surfaces
- All adhesives have the ability to leave a residue. For best practice when permanently removing the sign, clean the carpet with a carpet extractor to remove any tackiness that may be left behind
- [Buy in bulk and save! Also available in a 50-pack \(GMC99001C\)](#)

GMC99001-BK

Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.
