

## **PIG® Grippy® Adhesive-Backed Social Distancing Reminder Floor Mat**

GMM35002 "Remember Social Distancing" 6 ft. Arrow Reminder for Indoor Entrances, Stays in Place; Won't Damage Floors, Peel or Curl Up; Anti-Slip, Includes (1) 3' x 5' Mat on a Roll

Remind guests and employees of 6 ft social distancing in your facility and create a safe walking surface to prevent slips, trips and falls with a high-traction, absorbent entrance mat! Does double duty at your doors!

- All the proven benefits of our Grippy Floor Mat combined with a reminder message to maintain 6ft social distancing! Place 3' x 5' floor mat in entrances and doorways before guests and employees enter your facility
- Adhesive-backed floor mat stays exactly where you put it with no shifting, bunching up or flipping over; traps dirt, salt and moisture to keep it from being tracked around
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Proprietary adhesive sticks to the floor with a super-tight grip, but peels up easily without damaging floors; apply pressure to surface when installing sign to ensure strong grip to the floor
- Completely eliminates rental mat hassles and can save up to 50% per year over rental contracts
- Extreme durability that stands up to heavy traffic — even forklifts — to keep it on the job for up to 3 months
- Cleans easily in place using mop, floor scrubber or vacuum without budging; even a floor scrubber won't affect the printed message
- The thinnest commercial floor mat you can buy: no rippled edges to obstruct doors or create tripping hazards. ADA compliant for wheelchairs and walkers; carts and pallet jacks roll right over
- Sticks to most commercial floor surfaces including concrete, VCT, linoleum, ceramic tile, quarry tile and laminate flooring; for indoor and non-carpeted surfaces only
- Helps meet workplace control measures outlined by OSHA's Guidance on Preparing Workplaces for COVID-19

### Disclaimers

#### Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.

#### Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.
