GMM61001 "Practice Social Distancing" 6 ft. Spacing Reminder for Indoor Entrances, Stays in Place; Won't Damage Floors, Peel or Curl Up; Anti-Slip, Includes (1) 6' x 10' Mat on a Roll

Promote social distancing at your entrance while creating a safe walking surface to prevent slips, trips and falls with a high-traction, absorbent adhesive-backed entrance mat! Does double duty at your doors!

- All the proven benefits of our Grippy Floor Mat combined with a social distancing reminder message! Place 6' x 10' floor mat in entrances and doorways before guests and employees enter your facility
- Adhesive-backed floor mat stays exactly where you put it with no shifting, bunching up or flipping over; traps dirt, salt and moisture to keep it from being tracked around
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Proprietary adhesive sticks to the floor with a super-tight grip, but peels up easily without damaging floors; apply pressure to surface when installing sign to ensure strong grip to the floor
- Completely eliminates rental mat hassles and can save up to 50% per year over rental contracts
- Extreme durability that stands up to heavy traffic — even forklifts — to keep it on the job for up to 3 months
- Cleans easily in place using mop, floor scrubber or vacuum without budging; even a floor scrubber won't affect the printed message
- The thinnest commercial floor mat you can buy: no rippled edges to obstruct doors or create tripping hazards. ADA compliant for wheelchairs and walkers; carts and pallet jacks roll right over
- Sticks to most commercial floor surfaces including concrete, vinyl, linoleum, ceramic tile, quarry tile and laminate flooring; for indoor and non-carpeted surfaces only
