- Create a safe environment and mark where to stand to create 6 ft social distance spacing while people wait in checkout, customer service, TSA and other lines, at temperature stations, on stairs and landings, shipping and receiving areas, production lines, elevators and more
- Helps companies and facilities stay in compliance with social distancing guidelines; communicates to employees, guests and visitors how to safely navigate the facility
- Nonpermanent adhesive sticks to clean, dry floors with a super-tight grip, but peels up easily without damaging floors or leaving a residue
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Unlike vinyl decals or tapes, our adhesive-backing has been proven in years of commercial and retail use to withstand full foot traffic, floor scrubbing and disinfectant use
- Anti-slip sign absorbs moisture and won't become slippery when wet like decals, tapes or paints can
- Leave in place and clean with mop or floor scrubber; can be scrubbed, vacuumed or swept off frequently without affecting performance
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Withstands heavy foot and cart traffic and stays on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
