

PIG® Max Occupancy Floor Sign - Box of 6

GMM82002 Mark Max Occupancy for Indoor Meeting Rooms, Conference Centers, Classrooms & More, Stays in Place; Won't Damage Floors, Peel or Curl Up; Anti-Slip, Includes (6) 26" x 8" Peel & Stick Signs

Display room capacity requirements with a non-slip, write-on floor sign to stay in compliance with health guidelines. Adhesive-backed signs are easy to install, stay down and won't leave residue or damage floors upon removal.

- Max occupancy sign helps create a safe environment in meeting rooms, conference centers, classrooms, cafeterias and anywhere you need to limit the number of people allowed in a room or space
- Write-on floor sign features a blank area so you can mark your own number for maximum occupancy sign requirements (use a permanent marker for best results)
- Helps companies and facilities stay in compliance with health guidelines; communicates to employees, guests and visitors how many people may occupy a room
- Nonpermanent adhesive sticks to clean, dry floors with a super-tight grip, but peels up easily without damaging floors or leaving a residue
- Unlike vinyl decals or tapes, our adhesive-backing has been proven in years of commercial and retail use to withstand full foot traffic, floor scrubbing and disinfectant use
- Anti-slip sign absorbs moisture and won't become slippery when wet like decals, tapes or paints can
- Leave in place and clean with mop or floor scrubber; can be scrubbed, vacuumed or swept off frequently without affecting performance
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Withstands heavy foot and cart traffic and stays on the job for up to 3 months
- Durable, high-contrast message and images will not wear off
- Sticks to most commercial floor surfaces including smooth indoor concrete, VCT, linoleum, ceramic tile, quarry tile and laminate flooring

- Apply pressure to surface when installing marker to ensure strong grip to the floor
- Recommended for indoor and non-carpeted surfaces only
