

PIG® Social Distancing Floor Sign & Marker - Box of 50

GMM99001C "Play it Smart Keep 6' Apart" Marker for Lines, Indoor Temperature Stations, Checkouts & More, Stays in Place; Won't Damage Floors, Peel or Curl Up; Anti-Slip, Includes (50) 9" x 9" Peel & Stick Markers

Stay in compliance with health guidelines with a non-slip floor message sign to maintain physical and social distancing while waiting in line. Adhesive-backed signs are easy to install, stay down and won't leave residue or damage floors upon removal.

- Create a safe environment and mark where to stand to create 6 ft social distance spacing while people wait in checkout, customer service, TSA and other lines, at temperature stations, on stairs and landings, shipping and receiving areas, production lines, elevators and more
- Helps companies and facilities stay in compliance with social distancing guidelines; communicates to employees, guests and visitors how to safely navigate the facility
- Buy in bulk quantities for significant savings and cover more areas in larger or multi-building facilities
- Nonpermanent adhesive sticks to clean, dry floors with a super-tight grip, but peels up easily without damaging floors or leaving a residue
- Available in Spanish; contact 1-800-HOT-HOGS to place an order
- Unlike vinyl decals or tapes, our adhesive-backing has been proven in years of commercial and retail use to withstand full foot traffic, floor scrubbing and disinfectant use
- Anti-slip sign absorbs moisture and won't become slippery when wet like decals, tapes or paints can
- Leave in place and clean with mop or floor scrubber; can be scrubbed, vacuumed or swept off frequently without affecting performance
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Withstands heavy foot and cart traffic and stays on the job for up to 3 months
- Durable, high-contrast message and images will not wear off

- Sticks to most commercial floor surfaces including smooth indoor concrete, vinyl, linoleum, ceramic tile, quarry tile and laminate flooring
- Apply pressure to surface when installing marker to ensure strong grip to the floor
- Recommended for indoor and non-carpeted surfaces only
