- Create a safe environment and mark where to stand to create 6 ft social distance spacing while people wait in checkout, customer service, TSA and other lines, at temperature stations, on stairs and landings, shipping and receiving areas, production lines, elevators and more
- Helps companies and facilities stay in compliance with social distancing guidelines; communicates to employees, guests and visitors how to safely navigate the facility
- Nonpermanent adhesive sticks to clean, dry floors with a super-tight grip, but peels up easily without damaging floors or leaving a residue

- Leave in place and clean with mop or floor scrubber; can be scrubbed, vacuumed or swept off frequently without affecting performance
