

PIG® Custom Floor Signs & Mats for Social Distancing

GMMCUSTOM Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring, 1 each

Personalize your social distancing program! Put your school mascot, company logo or custom messaging on our adhesive-backed signs in entrances, hallways and more to communicate your plan as only you can.

- Add your logo, mascot, company name or custom messaging to create floor signs and entrance mats that are unique to your social distancing program
- Start with our existing templates and social distancing graphics or provide your own fully customized design
- 8 sizes available: entrance mats come 3' x 5', 3' x 10', 6' x 10' or 4' x 6'; floor markers and signs are 9" x 9", 8" x 26", 17" x 24" or 24" x 35"
- Ideal for entrances, aisles, hallways, classrooms, assembly areas, common areas, lobbies, offices, elevators and more
- Nonpermanent adhesive sticks to clean, dry floors with a super-tight grip, but peels up easily without damaging floors or leaving a residue
- Economical alternative to rubber-backed rental mats or floor decals at only a fraction of the cost
- Anti-slip sign absorbs moisture and won't become slippery when wet like decals, tapes or paints; ink does not interfere with absorbent properties of the mat
- Leave in place for up to 3 months; can be mopped, scrubbed, vacuumed or swept off frequently without budging; even a floor scrubber won't affect your printed logo
- Low profile does not create issues for heavy foot, cart, wheelchair or walker traffic; ADA compliant
- Durable, high-contrast message and images will not wear off
- Available for multiple surfaces: hard surface mats stick to most commercial floor surfaces including smooth indoor concrete, vinyl, linoleum, ceramic tile, quarry tile and laminate flooring; on-carpet mats are specially designed for adhesion to low pile, commercial carpeted surfaces indoors
- Apply pressure to surface when installing to ensure strong grip to the floor
