

Installation Board and Safety Knife

GRP005 For Grippy Mat

Installing your PIG Grippy Mat in retail, grocery or commercial environments is a breeze with these tools.

- Includes Installation Board and Safety Knife
- Installation Board has a pre-scored template that guides the Safety Knife, producing clean, accurate cuts
- Helps to create perfect corners or 45° angles for working around obstacles or making specific shapes
- Serves as a cutting board to prevent damage to floors during cutting
- Can also be used as a float to quickly smooth out PIG Grippy Mat
- Safety Knife has recessed blade with protective edges to eliminate worker injuries and property damage
- Makes quick, clean cuts without the risk of handling scissors or box cutters
