

## PIG® Sink & Dryer Grippy® Mat

GRP7506 Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring, 24" x 17", 50 pads per case

Keep restroom floors dry and safe where people wash their hands with our adhesive-backed mats. Absorbent top soaks up water and other liquids.

- PIG Sink & Dryer Grippy Mats capture water to keep floors dry in front of sinks and under hand dryers and towel dispensers; also help control slip hazards around drinking fountains, showers, and other wet trouble spots
- Buy in a 50-count bulk quantity for significant savings and cover more floors in larger or multi-building facilities with many restrooms, drinking foundations or showers
- Permanently infused antimicrobial technology prevents the growth of odor-causing bacteria and mold on the mats to keep restrooms cleaner and fresher smelling
- Proprietary, full-coverage adhesive backing keeps mats in place underfoot with no shifting, curling or flipping up to stop slip and trip hazards; peels up easily
- Mats stick to your floor and won't budge while you clean them; simply mop them with the rest of the floor
- Durable, Hi-Trac™ Surface stands up to daily cleaning and foot traffic
- EFM™ Absorbent Technology captures water on contact, wicks it away and dries out quickly
- Impermeable backing layers stop liquid pass-through to prevent stains and grout damage
- Tested and certified by the National Floor Safety Institute (NFSI) as a high-traction surface which can reduce slip and fall claims by as much as 90% when used as part of a Floor Safety Program
- Mats take on the properties of absorbed liquids
- always take proper precautions when handling saturated absorbents

Item#	Description	Dimensions	Weight
GRP7506-BK		24" W x 17" L	30 lbs.

## Metric Equivalent:

Item#	Description	Dimensions	Weight
