

PIG® Urinal Grippy® Mat

GRP7601 Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring, 18" x 17", 36 pads (6 boxes of 6 each)

Keep your restrooms cleaner and provide better drip and splash protection with our adhesive-backed urinal mats.

- Permanently infused antimicrobial technology prevents the growth of odor-causing bacteria and mold on the mats to keep restrooms cleaner and fresher smelling
- Proprietary, full-coverage adhesive backing keeps mats in place underfoot with no shifting, curling or flipping up to stop slip and trip hazards; peels up easily
- Mats stick to your floor and won't budge while you clean them; simply mop them with the rest of the floor
- Packaged as 6 boxes containing 6 mats in a box; place a box in supply closets or janitorial carts for easier access to replacement mats
- Durable, Hi-Trac™ Surface stands up to daily cleaning and restroom traffic
- EFM™ Absorbent Technology captures urine and water on contact, wicks them away and dries out quickly
- Impermeable backing layers stop liquid pass-through to prevent stains and grout damage
- Tested and certified by the National Floor Safety Institute (NFSI) as a high-traction surface which can reduce slip and fall claims by as much as 90% when used as part of a Floor Safety Program
- Release paper on the bottom of the mat should be removed prior to installation
- Mats take on the properties of absorbed liquids
- always take proper precautions when handling saturated absorbents
