

## PIG® Carpet Protection Berber Adhesive-Backed Grippy® Floor Mat

GRPCP913X50 FOR USE ON CARPETED SURFACES ONLY, 3' W x 50' L, 1 roll

It's the adhesive-backed mat made just for carpet! Protect your carpeted surfaces from dirt, stains and wear in high traffic areas.

- Non-slip 3' x 50' Berber runner sticks to carpet and traps dirt, salt, water, grease and grime to prevent it from damaging carpet fibers
- Adhesive backing keeps the runner in place on low pile, commercial carpeted surfaces; will not shift, flip, bunch up or get caught in opening or closing doors
- Covers up carpet that's excessively worn, stained or damaged from excessive traffic patterns; reduces the need for total carpet replacement or professional cleaning
- Protects new carpet and extends the life of existing carpet; stops premature crushing and wear
- Polyester blend is soft and pliable (polyester content is 100% post-consumer recycled)
- Cuts easily so you can create the size you need to fit your application
- ADA-compliant and low profile; eliminates trip hazards caused by traditional rubber-backed floor mats
- Easy to maintain — vacuum daily or deep clean with a carpet extractor
- Ideal for doorways between manufacturing and office spaces, long hallways and transition areas, building entrances, customer service counters, coffee stations and other high traffic or standing carpeted areas
- For use indoors on carpeted surfaces only
- All adhesives have the potential to leave a residue. For best practice when changing out the runner, clean the carpet with a carpet extractor to remove any tackiness that may be left behind before installing a new runner
- See Resources & Downloads section for product use guidance

Item#	Description	Dimensions	Weight
-------	-------------	------------	--------

GRPCP913X50-BK	3' W x 50' L	24 lbs.
GRPCP913X50-GY	3' W x 50' L	24 lbs.
