- Anti-slip sign absorbs moisture and won't become slippery when wet like decals, tapes or paints can
- Leave in place and clean with mop or floor scrubber; can be scrubbed, vacuumed or swept off frequently without affecting performance
- Low profile mat withstands heavy foot and cart traffic and stays on the job for up to 3–6 months
- Durable, high-contrast message and images will not wear off
- Sticks to most commercial floor surfaces including smooth indoor concrete, VCT, linoleum, ceramic tile, quarry tile and laminate flooring
- Apply pressure to surface when installing sign to ensure strong grip to the floor

## Color Variation Statement

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.
