

PIG® Caution Forklift Traffic Safety Message Mat

GRPWS3503 3' x 5', 2 pads per roll

Combines a high-traction, non-slip, adhesive-backed mat with high-visibility Caution Forklift Traffic message to help prevent slips, trips and falls.

- Adhesive-backed mat sticks to the floor without shifting, bunching or tripping up workers; high-visibility Caution Forklift Traffic image identifies workplace caution
- Large 20" safety image alerts employees to safety requirements or cautions in their workplace
- Absorbent and high-traction top layer removes liquid and debris from shoes and prevents falls in wet, oily work environments
- 5 feet of walk-off coverage prevents dirt, grime and moisture from being tracked around, keeping surrounding floors clean and dry
- Message mat is durable enough to withstand heavy foot traffic, forklifts and pallet jacks
- Absorbs a wide variety of liquids including water, oil and grease; leakproof backing prevents liquid from soaking through to the floor
- Peels up easily without leaving a residue; simply replace when mat shows signs of wear
- Easy to clean; message mat won't shift or be damaged by mops, vacuums, shop/wet vacs or floor scrubbers
- Sticks to most floor surfaces including concrete, vinyl, linoleum, ceramic tile, quarry tile and laminate flooring
