

PIG® Surgical Absorbent Mat Roll with Adhesive Backing

HC101 Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring, 31" W x 100' L, 1 roll

Mat roll with easy-tear perforations absorbs saline and blood and stays put to keep O.R. floors dry and safe during high fluid surgeries.

- Mat roll sticks to the floor and won't slide, shift or bunch up during procedures; wide heavyweight rolls are perfect for absorbing large amounts of fluids around O.R. tables and lab stations
- Large, 31" x 40" mat pad absorbs up to 3 liters of O.R. fluids including blood, vomit, urine, saline and water
- More absorbent, more sanitary, faster and easier to use than towels, paper towels and other O.R. clean-up methods
- Disposable mats keep the surgical environment clean and hygienic; helps reduce cross-contamination
- Waterproof and leakproof
- Mat pads won't rip, tear or fray under light foot traffic or movement of mayo stands and carts
- Mat pads stick to the floor easily and peel up quickly; adhesive won't stick to surgical gloves
- Perforations down the vertical center of the mat roll and every 20" horizontally allow you to tear off larger or smaller pads
- Use anywhere fluids collect in healthcare facilities, surgical centers or veterinary clinics - operating rooms, scrub sinks, lab stations and more
- PIG Surgical Absorbent Mat with Adhesive Backing should be applied to your floor before each procedure and left in place for the duration of the surgery
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Specifications

Absorbency Range

20 - 29.9 gal.

Dimensions

31" W x 100' L

Mat Weight	Heavyweight
Recycled Content	25% or more Recycled Content
Absorbency	Up to 90 L per roll
Antimicrobial	No
Color	Gray
Brand	PIG
Category	Surgical Mat
Flammability Specifications	Flame Resistant - Will melt and self-extinguish
Fluid Absorbed	Water; Bodily Fluids
Incinerable	Yes
Industry	Surgical Healthcare
Intended Use	Indoor Use on Concrete, Vinyl, Linoleum, Tile and Laminate Flooring
Perforated	Yes
Perforated Pattern	15.5" x 20" sections
Special Feature	Extra Absorbency
Traffic	Light Foot Traffic; One Time Use
UV Resistant	No
Sold as	1 roll
Weight	20 lbs.
# per Pallet	16
Composition	Absorbent: Polypropylene Adhesive Backing: Proprietary Grippy® Material
UNSPSC	47131901

Metric Equivalent

Absorbency	Up to 90 L per roll
Weight	9.1 kg
Dimensions	79cm W x 30m L
