PIG® Surgical Floor Skimmer

HC201 Tube Not Included,Latex-Free,20 per box

Collect and extract fluids like blood and saline for safe and dry O.R. floors during surgery.

- Captures liquids from all angles during high fluid surgeries for fast, easy cleanup
- Easy-slide floor pad can be repositioned or swept across the floor with your foot, keeping arms and hands free
- Bottom wicking pad can remove 60 liters per hour of blood, saline and other fluids
- More efficient, more sanitary, faster and easier to use than towels, paper towels and other O.R. clean-up methods
- Helps maintain a clean and dry operating room floor to prevent risk of slips, trips and falls
- Low-profile, thin design does not trip up O.R. staff
- Silent suction design helps keep the operating room quiet
- 12-foot flexible, suction tubing (not included) allows for access to all areas around operating table
- Ideal for surgical centers, hospital operating rooms and veterinary clinics
- Latex-free material helps prevent irritation due to allergy
