

PIG® Surgical Absorbent Mat Roll Holder

HC300 For Surgical Absorbent Mat

Let this mobile roll dispenser carry the weight of emergency surgical spill response for you, smoothly maneuvering to the site when you need it and back out of the way, into storage, when you don't.

- **Get to spills faster, and better prepared.** Rubber wheels maneuver the entire roll smoothly to the spill, and then roll back out of the way for storage.
- **Handily keep the roll neat.** Attach the convenient clip (included) to keep the mat tight and together when not in use.
- **Roll easily, confidently and repeatedly.** Move even a large single roll (not included) without lifting, rely on the holder's weighted base to reduce tipping risks and count on the sturdy, chrome-plated steel to last through repeated emergencies.
- **Note:** some assembly required.

Specifications
