

## FTI IBC Tote PFP Pick-Up Tube

IBC006 54" L, For Thin-Bodied & Slightly Viscous Liquids in Non-Explosive Areas

Sealless polypropylene design fits 330-gallon IBC tanks for high-output pumping of acids, caustics and other chemicals.

- Corrosion-resistant polypropylene pump tube withstands light- and medium-viscosity corrosives
- Handles temperatures up to 160° F
- Seal-less tube is 54" long to fit 330-gallon IBC tanks
- Stepped hose adapter can be trimmed to increase flow rate
- We recommend pairing with FTI .5 Horsepower Pump Motor or FTI Air Pump Motor; pump motors sold separately
- Discharge Hose sold separately

### Specifications
