

IBC Tote Mixer

IBC014 For IBC Totes w/ 6" Opening, For Dyes; Inks; Paints; Solvents; Mild Corrosives, 36" L

Maintain uniformity of tote contents and re-suspend settled solids with this powerful, portable IBC Mixer.

- Air-powered direct drive motor mounts to any IBC
- Adjustable bridge and tote clamps let you position motor at proper mixing location
- Dual turbines are specially designed for mixing material in square or rectangular containers with corners
- 36"-long shaft features collapsible 5" diameter turbines for an easy fit through 6" diameter center cap
- Ideal in processes where liquid products are manufactured, wherever product uniformity is critical or when you need to re-suspend settled solids
