

## Powerblanket® IBC Heater

IBC016 For 275 gal. IBC Totes, 120v/1440W

Wrap your totes in this IBC Heater to protect temperature-sensitive materials, preserve expensive product and prevent waste.

- Flexible, wrap-around surface heater delivers uniform heat to ensure a safe, constant temperature
- Eliminates the worries and hassles associated with freeze protection, chemical storage and viscosity control
- Rugged vinyl insulated “blanket” with adjustable straps fits any 275-gallon IBC
- Digital thermostat lets you control temperature setting; plugs into standard 120V outlets
- Raises material temperatures as high as 145°F (depending on ambient conditions); safe for use down to -40°F
- Heat-spreading technology eliminates hot and cold spots to conserve energy and shorten warming times
- Removable top allows easy access to IBC center cap
