

IBC Gravity-Fed Hose with Nozzle

IBC021 For IBC Totes

With this gravity feed hose kit, you don't need a powered pump to dispense from your IBC totes.

- Simple gravity-fed application requires no electricity or air source; produces flow rates of up to 10 gallons per minute
- 2" female NPS fitting attaches easily to your IBC
- 8'-long PVC hose and aluminum dispensing nozzle resist many chemicals
- Working temperature range 40°F to 120°F
