

PIG® Steel IBC Tote Drip Deck

IBC102 Holds (1) IBC, 55.25" W x 55.25" L x 8.75" H, Sump Capacity 66 gal.

Protect your floors and containers by catching small IBC leaks with this steel drip deck.

- Catches leaks and drips
- Low-profile 8.75 in. design makes loading and unloading simpler and provides convenient access to pumps and funnels
- Can be bonded and grounded to control static electricity and prevent sparking while transferring or storing flammables
- Included .5" NPT drain plug lets you empty sump without removing tote
- Grating is removable for easy clean-up
- Durable 12-gauge steel is powder coated for extended life
- All New Pig containment deck designs are tested at max load for months to ensure they can handle full capacity at your facility
