

PIG® Oil-Only Quick-Response High-Visibility Spill Cart

KIT4401 Each absorbs up to 20 gal., Absorbs Oils; Fuels; Oil-Based Liquids (Not Water)

Show up quickly to spilled oil with everything you need, easily accessible, in this oil-only high-visibility yellow spill kit on wheels.

- Clean spilled oil with this oil-only kit cart, pre-packed with absorbents; includes instruction folder, cleanup bags and more; see Product Specifications tab for full list of included products
- Tip the spill cart back and roll through doorways with the narrow design, and over uneven surfaces on the 7-inch anti-snap wheels
- Handle medium or small oil spills with plenty of oil-absorption power; the spill cart's roomy interior fits 20 gallons-worth of oil-fighting products behind front-loading doors that can lock when not in use and open wide during spill response; exact caddy dimensions are approximate
- Rely on the high-visibility yellow color to stand out during storage and to caution others during a spill; store anywhere indoors

Specifications
