

## PIG® Forklift Spill Kit in Bag

KIT801 Each absorbs up to 5 gal., Absorbs Oils; Coolants; Solvents; Water; Universal

Strap this fully equipped spill kit to your forklift truck or tow motor and provide a first line of defense against accidental spills.

- Forklifts are one of the biggest causes of spills from punctured drums, burst pipes, leaking tanks or upturned containers. This kit contains basic spill response materials to quickly stop the spread of a spill at the source and protect the first responder
- Hook and loop closures and hanging straps on the rear of the bag securely attach the kit horizontally or vertically to the seat or rear beam of a fork truck, cherry picker, vehicle or other mobile equipment; lightweight bag can be removed easily for quick response
- Kit is packed with proven PIG Universal Absorbents to clean up to spills of up to 5 gallons of oils, coolants, solvents and water; also contains PPE
- Durable, weather-resistant vinyl bag is grime-hiding black with high-visibility reflective strips for easy visibility; has secure, box-lid style closure to protect contents
- Bag is reusable and easily replenished
- Identification label lets workers clearly see the type of spill kit they are using
- Spill Kit dimensions are approximate

## Specifications

Dimensions	ext. dia. 10" x 22" L
Absorbency	Up to 5 gal.
Brand	PIG
Container Type	Portable Bag
Fluid Absorbed	Oils; Coolants; Solvents; Water; Universal
