

## PIG® Big Daddy Spill Caddy

KIT820 Each absorbs up to 44.6 gal., Absorbs Oils; Coolants; Solvents; Water; Universal

Store 3x more universal absorption power than our original Spill Caddy in this supersized, high-visibility wheeled spill kit. Cleverly designed, thoughtfully prepacked.

- **Store more.** The name says it all. This Big Daddy holds enough PIG products to absorb 3x more of anything — coolants, oil, water or solvents — than our original Spill Caddy. See Specs for the full list of included products.
- **Choose how to use.** This versatile caddy pulls its own weight. Respond quickly to large spills or use as a highly visible central station for supplies. Store anywhere indoors.
- **Grab quickly, without hassle.** Spills don't wait, so neither can you. The doors and lid open wide so you don't have to reach in blind and root around. Plus, the caddy is thoughtfully prepacked with what you'll need, in the order that you'll need it.
- **Move with agility.** These wheels let you take off without tipping it back and pivot quickly. When tipped back, they roll easily across uneven surfaces. Plus, the full caddy width fits through most doorways.
- **Rely on the clever design.** From lockable doors and adjustable shelves down to a built-in door pocket for documents and instructions, we've thought about more than the caddy — we thought about you.

### Specifications

|                       |   |
|-----------------------|---|
| Absorbency Range      | 40 - 49.9 gal.  |
| Dimensions            | 30" W x 29.5" L x 50" H                                   |
| Absorbency            | Up to 44.6 gal.   |
| Brand                 | PIG   |
