

Keyed-Alike Cable Padlock

LCK902 Padlock, Keyed-Alike, Cable/Shackle
Dimensions .3125" Dia. x 14" L

Protect equipment where traditional padlocks won't easily fit by using this Master Lock cable padlock built to resist cutting, picking and more.

- Laminated steel body for superior strength; 1 and 5/16 in.
- 14 in. steel cable resists cutting
- 4-pin tumbler cylinder helps resist picking
- Dead-locking, anti-rap mechanism defeats physical attacks
- Vinyl covers on lock and cable prevent scratching
- Keyed alike for convenience; one key opens all locks

Master Lock
