

PIG® Gray Ham-O® Absorbent Mat Roll

MAT116 Heavyweight, 32" W x 150' L, 1 roll per bag

Brings the fun to leak, drip and spill cleanup! Ham-O layer camouflages liquids and grime while it absorbs; tear off only what you need.

- No job is too big for our wide heavyweight rolls; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- PIG-Printed Camouflage Mats are a fun way to absorb liquid and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right in to camouflage top layer so mat appears clean
- Walk all over it! Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Easy-tear perforations let you tear off small or large pieces for less waste
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
