

PIG® Oil Absorbent Filter Mat Strip in Vac-Pack

MAT1207 4" x 48", 25 strips (5 packages of 5 each)

Use our Filter Mat Strips as a sock to confine and filter oils from outdoor spills and to help protect your outdoor drains.

- Prevent oil spills from entering the stormwater system with our narrow filter mat strips, designed to line the perimeter around your drains; vac-packed for compact storage in a vehicle or spill kit
- Absorbs hydraulic fluid, motor oil and other oil-based liquids from water before it hits the waterway; allows only clean water to pass through
- Ideal for stormwater applications and general filtration of oily water on land – rain or shine!
- Great for use near storm drains, pipes, outflows, storage tanks, roll-offs, vehicles and other oily equipment; can also be used as a pour-through filter for mop buckets and other containers of oily water
- UV resistant for outdoor use
- Contains 85% recycled fibers; ideal where green products are desired or required
- Can be incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
- Not for use on bodies of water - mat does not float
