

PIG® Oil Absorbent Cleanup Towels in Dispenser Box

MAT1209 15" x 20", 100 towels

Towels absorb oil and filter water for easy cleanups in outdoor applications. Great for wiping down oily equipment or surfaces where oil has collected in cracks and crevices.

- Designed to work differently than conventional oil-only spill products; absorbent towels allow water to pass through while capturing hydraulic fluid, motor oil and other oil-based liquids
- Lightweight yet durable material conforms to irregular surfaces; tough enough to scrub concrete, rocks or asphalt
- Perfect for wiping down oily tools and cleanups in outdoor applications, especially in wet or rainy conditions; floats to remove oil on water, even the oily sheen
- Great for final cleanup when used in conjunction with PIG Oil Absorbent Filter Mat Pads
- White color shows absorbed oil to indicate saturation level
- Can be wrung out after use to reduce waste or for fuels blending or incineration
- Dispenser box protects towels from dirt and moisture; easy to carry and store

Specifications

Style	Oil, Water Separator
Dimensions	15" W x 20" L
Mat Weight	Lightweight
Absorbency	Up to 15.8 gal. per box
Absorbency per	Up to 20.2 oz. per towel
Brand	PIG
Color	White
Fluid Absorbed	Oils, Filters Water
