

PIG® Gray Ham-O® Absorbent Mat Roll with Poly Backing

MAT132 Heavyweight, 31" W x 150' L, 1 roll per bag

Brings the fun to leak, drip and spill cleanup! Ham-O layer camouflages liquids and grime while it absorbs; poly backing prevents liquids from leaking through to surface underneath.

- Heavyweight rolls with poly backing prevent grease, oil and other liquids from reaching floors, counters or other surfaces; our most popular mat weight is ideal for absorbing leaks, drips or overspray in walkways and aisles and for soaking up big spills in large areas
- PIG-Printed Camouflage Mats are a fun way to absorb liquid and hide grime; Ham-O mats keep your workplace clean and your employees safe and happy
- Absorbed leaks and drips blend right in to camouflage top layer so mat appears clean
- Place over a spill with poly-back side up to reduce harmful, flammable or irritating vapors
- Walk all over it! Scuff-resistant camouflage layer stands up to foot traffic in aisles and walkways; resists rips, tears and abrasions from tools when used as a liner
- Use anywhere – line workbenches, counters and toolboxes, catch drips and overspray around machinery, clean up oil and grease in service pits and more!
- PIG Mat lasts 2x longer than competitive mats and won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Cuts easily with scissors or utility knife
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents

Specifications

Absorbency Range

40 - 49.9 gal.

Dimensions	31" W x 150' L
Mat Weight	Heavyweight
Recycled Content	25% or more Recycled Content
Absorbency	Up to 40.6 gal. per bag
Absorbency per	Up to 40.6 gal. per roll
Color	Gray Ham-O
Brand	PIG
Category	Universal Absorbent Mat; Ham-O® Absorbent Mat
Core Diameter	1.5"
Flammability Specifications	Flame Resistant - Will melt and self-extinguish
Floating	No
Fluid Absorbed	Oils; Coolants; Solvents; Water; Universal
Indoor/Outdoor	Indoor Use
Incinerable	Yes
Perforated	No
Reusable	No
Special Feature	Camouflage Pattern; Poly-Backing
Static-Dissipative	No
Traffic	Medium Foot Traffic
UV Resistant	No
Wringable	Yes
Sold as	1 roll per bag
Weight	42 lbs.
# per Pallet	12
Composition	Polypropylene
UNSPSC	47131901
Pigalog® Page Number	Page 23

Metric Equivalent

Absorbency per	Up to 153.7 L per roll
Absorbency	Up to 153.7 L per bag
Weight	19.1 kg
Dimensions	79cm W x 46m L
